April 15, 2008

Dear Richard,

I am writing this letter to acknowledge you and your team of photographers and videographers for the job you did at my daughter Allison's wedding on April 12, 2008.

Allison's wedding was one of the most beautiful days in my entire life. Not only did you and your team do a professional job on the day of the wedding, but Allison tells me you were at the top of the list of all of her suppliers because you guided and helped her to stay focused and calm from the first consultation meeting until the moment you left the hotel at midnight and, better than all the other suppliers, you knew what you were doing and carried out every task with complete professionalism, absolute patience and heart.

My wife, Susan, and my other daughter, Stephanie, also appreciated all you did for us and especially for who you are. Your warmth and wealth of experience helped make my little girl's most important day an unforgettable experience for my family and you even helped us to stay calm and clear headed when there were breakdowns from our other suppliers.

I remember when I first spoke to Allison about you. I told her that you would take good care of her. You and every member of your team came through with flying colors.

Thank you, thank you, thank you.

A very happy, grateful and proud father of the bride,

Berel Weiner
